Overview

Super Saturday is the last Saturday before Christmas, known as one of the biggest shopping days of the year in many countries — especially the U.S., U.K., and India (in urban malls and e-commerce sites).

Why It's Called “Super Saturday”

1. It's super busy — millions of people rush to buy last-minute Christmas or year-end gifts.
2. Retailers offer huge discounts, extended hours, and special promotions to attract shoppers.
- 3.

When It Happens

It usually falls between December 17–24, depending on which day Christmas (Dec 25) lands on.

Example:

In 2025, Super Saturday will be December 20.

What Best Buy Does on Super Saturday
